sunridge close

location plan & amenities

THIS IS A RARE CHANCE TO SECURE A LOT IN THE WELL-ESTABLISHED SUBURB OF CAVERSHAM.

Sunridge Close is located between Lord Street and the banks of Bennett Brook; it is a community-focused street committed to nurturing the values of its heritage and modern family living.

An attractive landscaped central pod will give you a sense of peace of mind and closeness to nature, realising that you have bought into something really special.

Here, living well is easy with established neighbourhood amenities; walk and cycle ways along Bennett Brook connect you to other homes and parks.

Surrounding this new street are all of the Swan Valley favourites - breweries and wineries; art galleries and country gardens; local food and wine at cafes and restaurants; or shopping at the farmers markets.

There's also an abundance of choice for education in the area, plus Caversham Village Shopping Centre, and the larger retail and business centres of Midland and Guildford.

Live amongst the harmony of nature on Sunridge Close.
